DIRECTOR'S MESSAGE

Welcome to the Sarita Kenedy
East Law Library!

At the Law Library, we are proud of serving St. Mary's University law students. With an extensive collection of nearly 400,000 volumes in print and microform format, as enhanced by a wide array of electronic database subscriptions, such as CCH, HeinOnline, LexisNexis, and Westlaw, the law library provides unparalleled access to United States and foreign/international legal information and resources. The eight professional law librarians, most of them holding both J.D. and MLS degrees, are well trained and service oriented. They provide efficient and friendly services to support student learning and research. Our paraprofessional staff members are competent and friendly, willing to go the extra mile to help you.

Helpful information and staff contacts are included in this brochure. I'll be happy to hear from you anytime. Please let us know if we can assist you in any way.

Bob Hu
Director and Professor of Law
